Data on Bank Capital

(RSD thousand)

		(RSD thousand)
No	Item	Amount
	Common Equity Tier 1: elements	
1	CET1 capital instruments and the related share premium accounts	3,065,958
1.1.	of which: shares and other capital instruments which fulfil the requirements as laid out in Section 8 of the DCA	3,065,958
1.2.	of which: relevant share premium with the instruments referred to in item 1.1, i.e. the amount paid above par value of those instruments	
2	Profit from preceding years free of any future liabilities, to be allocated to CET 1 capital according to the decision of the bank's assembly	
3	Profit of the current year or profit from the preceding year which the bank's assembly still has not decided to allocate in CET 1 capital which fulfil the requirements as laid out in Section 10, paras 2 and 3 on inclusion into CET 1 capital	570,799
4	Revaluation reserves and other unrealised losses	313,748
5	Reserves from profit and other bank reserves, except for reserves for general banking risks	48,445
6	Reserves for general banking risks	
7	Non-controlling participations (minority interests) allowed in CET1**	
8	Common Equity Tier 1 capital before regulatory adjustments and deductibles (sum of rows from 1 to 7)	3,428,151
	Common Equity Tier 1 capital: regulatory adjustments and deductibles	3,420,131
9	Additional value adjustments (-)	-4,763
10	Intangible assets, including goodwill (net of deferred tax liabilities) (-)	-105,412
11	Deferred tax assets that rely on future profitability of the bank, excluding those arising from temporary differences (net of related deferred tax liability where the conditions referred to in Section 14, paragraph 1 of the DCA are met)	103,412
12	Fair value reserves related to gains or losses on cash flow hedges of financial instruments that are not valued at fair value, including projected cash flows	
13	IRB Approach: Negative amount of difference resulting from the calculation in accordance with Section 134 of the DCA (-)	
14	Any increase in equity that results from securitisation exposures (-)	
15	Gains or losses on bank's liabilities valued at fair value resulting from changes in own credit standing	
16	Defined benefit pension fund assets on the balance sheet of the bank(-)	
17	Direct, indirect and synthetic holdings by a bank of own Common Equity Tier 1 instruments, including own CET 1 instruments that a bank is under an actual or contingent obligation to purchase by virtue of an existing contractual obligation (-)	
18	Direct, indirect and synthetic holdings of the CET 1 instruments of financial sector entities where those entities have a reciprocal cross holding with the bank, designed to inflate artificially the capital of the bank (-)	
19	Applicable amount of direct, indirect and synthetic holdings by the bank of the CET1 instruments of financial sector entities where the bank does not have a significant investment in those entities (-)	
20	Applicable amount of direct, indirect and synthetic holdings of the CET1 instruments of financial sector entities where the bank has a significant investment in those entities (-)	
21	Exposure amount of the following items which qualify for a risk weight of 1.250%, where the bank deducts that exposure amount from the amount of CET1 items as an alternative to applying a risk weight of 1.250%	
21.1.	of which: holdings in entities outside the financial sector in the amount of over 10% of capital of those entities, i.e. holdings that allow exerting a significant impact on managing of a legal entity or on the business policy of that legal entity (-)	
21.2.	of which: securitisation positions (-)	
21.3.	of which: free deliveries (-)	
22	Deferred tax assets that rely on the bank's future profitability arising from temporary differences (amount above 10% of bank's CET1 capital referred to in Section 21, paragraph 2, reduced by the amount of related tax liabilities where the requirements referred to in Section 14, paragraph 1 of the DCA are met (-)	
23	Sum of deferred tax assets and holdings of financial sector entities where the bank has a significant investment referred to in Section 21, paragraph 1 of the DCA in such entities, which exceeds the threshold referred to in Section 21, paragraph 3 of the DCA (-)	
23.1.	of which: Direct, indirect and synthetic holdings of the CET1 instruments of financial sector entities where the bank has a significant investment in those entities	
23.2.	of which: Deferred tax assets arising from temporary differences	
24	Losses for the current and previous years, and unrealised losses (-)	-189,692

 $[\]ensuremath{^{*}}$ DCA - Decision on Capital Adequacy of Banks.

^{**} To be completed by the ultimate parent company, obliged to calculate the banking group's capital based on the data from the consolidated financial statements, in accordance with the decision on consolidated supervision of a banking group.

^{***} As a percentage of risk-weighted assets.

^{****} Calculated as Common Equity Tier 1 capital of the bank (expressed as percentage of risk-weighted assets), less Common Equity Tier 1 capital of the bank used to maintain the Common Equity Tier 1 capital ratio referred to in Section 3, paragraph 3, item 2) of the DCA and the total capital ratio referred to in Section 3, paragraph 3, item 2) of the DCA.
